

**ABSTRACT**

The present invention provides a method of  
5 expressing an antigenic molecule or a part thereof on  
the surface of an antigen-presenting cell, said method  
comprising introducing a molecule into the cell cytosol  
by photochemical internalisation, wherein said molecule,  
or a part thereof, is subsequently presented on the  
10 surface of said cell. Methods of vaccination comprising  
this method, together with compositions comprising said  
cells and uses involving said cells expressing antigenic  
molecules are also provided.
